

Room to breathe. Room to grow. Room to worship. Room to play.

Room. With a view.

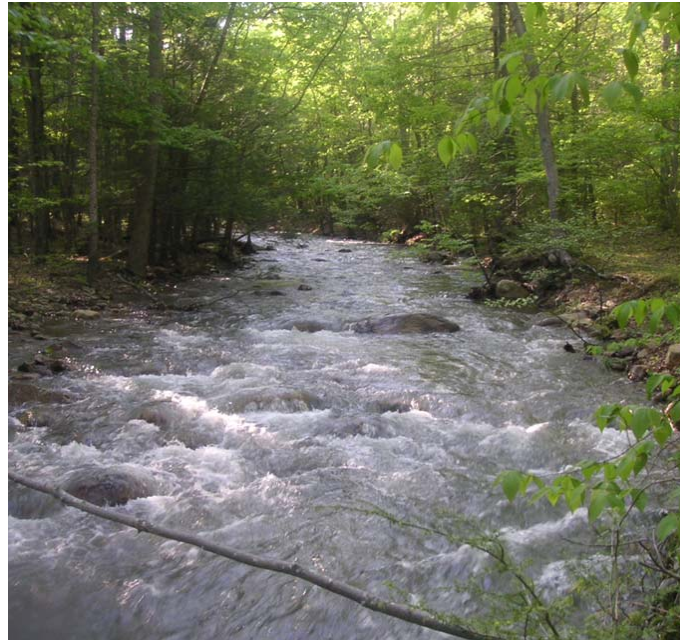

CLOSE TO HOME, but still MILES AWAY.

Tucked away in the beautiful Cedar Creek Valley of Virginia is Camp Paddy Run— a wilderness retreat located 10 miles off the interstate and just 90 minutes from busy Northern Virginia.

Situated on 175 acres of pristine land neighboring the George Washington National Forest, Camp Paddy Run offers stunning sunsets, peaceful evenings and fresh mountain air. It is the ideal setting to unplug, yet recharge.

Paddy's Run— a tributary to the Shenandoah River provides the camp's namesake, while providing cool comfort to the abundant wildlife. Lastly, a lush 25-acre field is the center for all activity with an endless array of uses.

ROOM FOR YOU, TOO.

Camp Paddy Run hosts a variety of signature events every year— day camps, youth retreats, church picnics, family reunions, scouting groups and many more- but there's still room for YOUR EVENT!

It's time to get YOUR signature event on the calendar so others can look forward to attending every year! We offer affordable rates for groups of all sizes, and give you a tranquil setting you can't find anywhere!

We take stewardship seriously. By effectively managing our property and keeping costs low, we can offer this unique place for far less than others may charge. It's our way of moving our mission forward.

Looking to BEGIN or GROW your Youth Ministry Program? We know just the place!
