

*Our Mission: To be the hands and feet of Christ. To encourage others in their faith journey. To provide a special place for the sacred to happen.*

## YEAR END SUMMARY

Wow! What a year!...

As we reflect back on 2021, many of us have come to a similar conclusion: this year was equally as challenging and stressful as 2020!

However, the light of life and hope burned bright at Camp Paddy Run. This year saw the return of overnight camping programs— much to the delight of our campers and counselors alike.

June's Day Camp posted some of the highest attendance numbers ever— with over 100 campers daily— and half of that being teenagers!

We also hosted our 5th year of Adventure Camp and the ever-popular Teen Fall Retreat— also with record-breaking numbers.

But it's not really the numbers we focus on— it's that one lost sheep out of a hundred that we seek to rescue, as Jesus teaches. Kids like Tyler— who came to camp angry at God and questioning everything after losing a close friend in a car accident. And Taquisha— who says camp is the only place she feels accepted and not picked on.

Or Bryce— who grew up coming to camp since he was in preschool. He learned that a life walking with the Lord is worth the cost. As he prepares for graduation and joining the Army, he returns for every event and gives his time in service to the younger campers.

**And we do all that we do with a volunteer staff!**

It's clear that God is on the move in the hearts and minds of these young kids and adult volunteers. **Won't you be a part of this exciting time?**

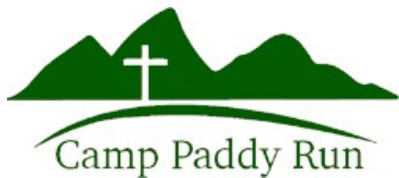

**And we are only getting started!**

Please plan to include us in your year-end giving so that we can continue to build our youth into a mighty community of believers living for Christ!

Currently, we have several exciting projects in the works that will help us accommodate more kids, more programs and more family camping.

In His Service,  
Amy Tubbs, Director  
Camp Paddy Run

## 2021 Annual Giving Campaign

Donation form

Prayerfully consider helping fund our current projects:

\$9,000 for summer cabin refurbishment

\$6,900 for electrical upgrades

\$3,200 to fund scholarships for campers that otherwise couldn't attend camp

**Yes!** I'd like to give to support the life-changing ministry of Camp Paddy Run.

- ☐ **Friend of Camp Paddy Run:** \$100
